

## A white and blue electronic device, likely a blood pressure monitor, is shown on a green grid background. The device has a digital display screen at the top left, with labels 'Mon.', 'Date', 'Hour', and 'Min.' above it. Below the screen, the text 'SYS.' and 'DIA.' are visible. To the right of the screen are three buttons labeled 'MEMO/A', 'SCAN/Y', and 'TIME'. Below the screen, the text 'PULSE min.' is visible. At the bottom of the device are two large buttons labeled 'SEND' and 'START'. The 'START' button features a power symbol.
